

**Cambridge
University Hospitals**
NHS Foundation Trust

Blood testing for CUH patients is now only available with a booked appointment or as a drive-through service.

This is due to the safety arrangements to minimize the risk of contracting Covid19 for patients and staff at CUH and to allow a safe environment for patients who have to be seen at CUH.

Please choose one of the services below.

Speak to a member of staff at reception if none of the options are suitable for you.

Blood Testing
